MONITORING REVIEW**

The Department of Children and Family Services (DCFS) Out-of-Home Care Management Division (OHCMD) conducted a review of Heritage Group Homes (The Group Home) in April 2013. The Group Home has five sites: two located in the First Supervisorial District; one in the Fourth Supervisorial District; and two located in the Fifth Supervisorial District. The Group Home provides services to County of Los Angeles DCFS foster youth. According to the Group Home's program statement, its purpose is, "to enable each child to develop the necessary interpersonal skills and self-esteem to successfully function as a self-sufficient and productive person in society."

The Group Home has 5 6-bed sites; 3 sites serving girls and 2 sites serving boys, each licensed to serve children ages 13 through 18. At the time of review, the Group Home served 30 DCFS placed children, 12 boys and 18 girls. The children's overall average length of placement was 5 months, and their average age was 16.

SUMMARY

During OHCMD's review, the interviewed children generally reported feeling safe at the Group Home; having been provided with good care and appropriate services; being comfortable in their environment and treated with respect and dignity.

The Group Home was in full compliance with all 10 areas of our Contract compliance review: Licensure/Contract Requirements; Facility and Environment; Maintenance of Required Documentation and Service Delivery; Educational and Workforce Readiness;

"To Enrich Lives Through Effective and Caring Service"

Health and Medical Needs; Psychotropic Medication; Personal Rights and Social/Emotional Well-Being; Personal Needs/Survival and Economic Well-Being; Discharged Children; and Personnel Records.

Attached are the details of our review.

CONTRACT COMPLIANCE MONITORING REVIEW
FISCAL YEAR 2012-2013**

SCOPE OF REVIEW

The following report is based on a “point in time” monitoring visit. This compliance report addresses findings noted during the April 2013 review. The purpose of this review was to assess Heritage Group Homes’ (The Group Home) compliance with its County contract and State regulations and included a review of the Group Home’s program statement, as well as internal administrative policies and procedures. The monitoring review covered the following 10 areas:

- Licensure/Contract Requirements,
- Facility and Environment,
- Maintenance of Required Documentation and Service Delivery,
- Educational and Workforce Readiness,
- Health and Medical Needs,
- Psychotropic Medication,
- Personal Rights and Social Emotional Well-Being,
- Personal Needs/Survival and Economic Well-Being,
- Discharged Children, and
- Personnel Records.

For the purpose of this review, seven placed children were selected for the sample. The Out-of-Home Care Management Division (OHCMD) interviewed each child and reviewed their case files to assess the care and services they received. Additionally, three discharged children’s files were reviewed to assess the Group Home’s compliance with permanency efforts. At the time of the review, four placed children were prescribed psychotropic medication. The OHCMD reviewed the children’s case files to assess for timeliness of Psychotropic Medication Authorizations and to confirm the required documentation of psychiatric monitoring.

OHCMD reviewed four staff files for compliance with Title 22 Regulations and County contract requirements, and conducted site visits to assess the provision of quality of care and supervision.

CONTRACTUAL COMPLIANCE

The OHCMD found no areas out of compliance.

PRIOR YEAR FOLLOW-UP FROM DCFS OHCMD’s GROUP HOME CONTRACT COMPLIANCE MONITORING REVIEW
